SALEH NAJJAR
PRIMARY EXAMINER

Examiner's Statement

1. This action is responsive to the application filed on April 30, 2001. Claims 1-54 are pending. Claims 1-54 represent method, system and program for multi-contact scheduling.

2. Claims 1-54 are allowed.

3. Pursuant to 37 C.F.R. 1.109 and M.P.E.P. 1302.14, the following is an Examiner's Statement of Reasons for Allowance:

The prior art of record does not teach or define neither singly or in combination the claimed limitation of "a method, system and program for generating an agent schedule for a multi-contact center having a plurality of contact queues including generating a plurality of scheduling constraints and a search engine using the constraints to generate a plurality of potential schedules comprising at least one potential schedule for each of the queues including a first potential schedule for an immediate queues and second potential schedules for deferred queues and performing a first and second analysis on the first and second potential schedule to generate a first and second estimated service levels" as in claims 1-54.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
